Bio-D Mulsion® 400 Bio-D-Mulsion® 1000

Safe:

Conservative regimen supplies necessary vitamin D (as emulsified D3) without the increased risk of hypercalcemia commonly associated with single, large dose therapies.

Effective:

Two drops daily (2,000 IU) increased 25(OH)D concentrations in vitamin D deficient children 202% in six weeks, effectively tripling 25(OH)D levels.*

Easy to Administer for Greater Compliance:

Dispense one drop directly onto the tongue each day.
