Bio-Detox Packs™

Bio-Detox Packs™ supplies convenient, easy to use packets of multiple supplements, known to support healthy digestive function, and gastrointestinal health. In addition, it supplies a broad spectrum of nutritional components aimed at supporting the normal detoxification pathways.

Bio-Detox Packs™ has been repackaged, reducing the number of capsules/tablets per pack for better patient compliance.

Each packet now contains 9 capsules/tablets.

Also, each packet now consists of the following:

- 2 tablets of A.D.P®
- 2 soft gels of Optimal EFAs®
- 1 capsule of Bromelain Plus CLA™ with pancrelipase
- 4 capsules of a combination of Beta-TCP™, Livotrit Plus®, BioProtect™, and MCS-2™
- 30 packs per bottle
- Product Code: 6270
- Recommendation: One (1) packet three (3) times each day as a dietary supplement or as otherwise recommended by a healthcare professional.
