

INTRODUCING

Hydrolyzed Collagen Protein

BY BIOTICS RESEARCH*

Biotics Research is excited to announce **Hydrolyzed Collagen Protein**, a nutritious dairy-free protein powder made from a highly concentrated bone broth isolate. Sourced from hormone-free, antibiotic-free, non-GMO cows in Sweden, **Hydrolyzed Collagen Protein** is ideal for dairy-sensitive patients or those who desire a collagen source of protein.

GREAT TASTING
DAIRY-FREE
COLLAGEN PROTEIN

Choose From 2 Great Flavors!
